Press Release: Analysis of Register of Interest of Rajya Sabha members (containing crucial business and financial interests)

Nov 17, 2011, New Delhi: Rajya Sabha secretariat has finally made the register of interest of the Rajya Sabha MPs available to ADR in response to its RTI application. **The Register of Interest contains crucial information about the financial and business interests of the MPs and is a critical document to ascertain conflict of interest issues of the MPs.**

Background: Rajya Sabha MPs have to declare their pecuniary interest under Rule 293 of the Rules of Procedure and Conduct of Business in the Council of States. Although the rules specifically allow this information to be given to general public, the Rajya Sabha secretariat has been denying this information as it has been asked by the ethics committee to not disclose the information. CIC had to finally issue a non-compliance notice to CPIO on Oct 3rd after which this information has been given to the appellant.

Although the register of interest came into being as a result of the recommendations of the 2nd report of Ethics Committee of Rajya Sabha of Dec, 1999 and enforced through the adoption of 4th report of the Ethics committee in May 2005, this is the first time these details are being made public.

Overview: The information received consists of pecuniary details of 232 MPs out of 242 MPs. As per the RS secretariat, 10 MPs have not completed their due date of submission of declarations which is within ninety days from the date on which he/she makes and subscribes oath or affirmation for taking his/her seat.

Out of these 232 MPs, only 92 have given various pecuniary details. A total of 140 MPs have just put n/a or nil across all the fields of the form.
